

Clinic for the Rehabilitation of Wildlife

2026 Wildlife Conservation Summer Camp Scholarship Application

YOU WILL NEED TO FILL IN THE REGISTRATION PACKET IN ADDITION TO THE SCHOLARSHIP APPLICATION.

To send in the application, you can drop it off in person, send it via mail (to the address below), or scan each sheet and send it to blaster@crowclinic.org. Please do not take pictures to send them in. It makes it difficult to file the information.

Your spot is **not confirmed** until you receive a confirmation email from Brittney Laster.

Types of Scholarship:

1. Full Scholarship (Tuition covers the camp and lunch for each day)
2. Partial Scholarship (Tuition covers 25%-75% of the camp)

**Deadline to
Apply:**

**June Camps: May 8th, 2026
July Camps: June 5th, 2026**

**To send the registration and
Scholarship Application through the
mail, please address it to:**

CROW Summer
Camp
P.O. Box 150
Sanibel, FL 33957

If you have **questions**, contact
Brittney Laster at
blaster@crowclinic.org

Scholarship Application

Applicant Information

Name of Student: _____

Age and Grade Level (for the upcoming school year): _____

Parent/Guardian Contact Information:

Parent/Guardian Name(s): _____

Email: _____

Phone Number: _____

Part 1: Child's Personal Statement

(K and 1st Grade Students do not need to fill this portion out)

Please answer the following questions in the space provided below (you may use additional pages if needed). You do not have to write an essay; we want to know what interests you.

1. What skills or knowledge are you hoping to develop during this camp?

Consider how you might apply classroom learning in real-world situations like wildlife conservation, science, and environmental studies.

2. Which part of the camp curriculum are you most excited about, and why?

Think about the topics such as wildlife, conservation, adaptation, or dissection that interest you the most.

3. How do you think this camp will help you with your future academic or career goals?

How will learning about wildlife, conservation, and STEM subjects help you in the future?

Scholarship Application

Part 2: Parent/Guardian Statement

Please answer the following questions in the space provided below (you may use additional pages if needed):

1. Why do you believe this camp will be a good fit for your child?

What do you think your child will gain from spending time with the education team, interacting with wildlife professionals, and participating in activities related to STEM and conservation?

2. What specific skills or qualities would you like to see your child develop through this camp experience?

Consider skills related to science, problem-solving, teamwork, or understanding wildlife conservation

3. How do you believe this camp experience will impact your child's perspective on wildlife conservation and their academic growth?

What long-term benefits do you hope your child will gain from learning about wildlife care, rehabilitation, and the broader role of conservation?

Declaration

By submitting this application, I affirm that the information provided is accurate to the best of my knowledge.

I understand that the scholarship will be awarded based on merit and alignment of the applicant's goals with the camp's mission and curriculum.
